Saturday was one of those old fashioned Okolona days which make the heart glad, especially among the business men who have been watching their clerks sit around during the summer months with nothing to do but nurse their hands and smile that their salaries had not been stopped. The street was filled with buyers, for the cotton is rolling in, and the money it brings is commencing to flow through the arteries of commerce, and make the entire body throb with new life and energy.

Mrs. M. Houseman was the charming hostess last Thursday afternoon of a social meeting of the Book Club, complimentary to Mrs. H. R. Moore, an honorary member of the club. Mrs. Houseman had arranged for the pleasure of her guests, "a trip around the world," by placing articles over the room, representing various cities, states and countries. After this a table containing twenty two articles, was visited just one moment, and then a list of the remembered articles required. The visitors were Miss Mollie Trimmer and Mrs. E. J. Esell, who tied. The draw was in favor of Mrs. Esell, who at once said she would present the prize—a Life of Emerson—to the guest of honor, Mrs. Moore. Miss Trimmer expressed herself as that being her wish, also. Delicious orange cream and orange cake was then graciously tendered the guests. The afternoon was a very pleasurable one, and to the lovely and lovable hostess all joined in hearty thanks and commendations.

The Twentieth Century Club was entertained last week by Miss Estelle Buchanan. As the meetings are now of a social nature the guests were treated to a novel contest—making hats—All colors of tissue paper was furnished and for an hour or more the fingers of the merry company flew deftly. Many strange and wondrous creations were the result of this unique amusement, and after much difficulty the judges awarded the prize to Miss Marguerite Darden. Dainty refreshments were then served, and the affair was hugely enjoyed by all the members and the several honorary guests who graced the occasion.

CANCER CURED BY BLOOD BALM. All Skin and Blood Diseases Cured.

Mrs. M. L. Adams, Fredonia, Ala., took Botanic Blood Balm which effectually cured an eating cancer of the nose and face. The sores healed up perfectly. Many doctors had given up her case as hopeless. Hundreds of cases of cancer, eating sores, suppurating swellings, etc., have been cured by Blood Balm. Among others Mrs. R. M. Guernsey, Warrior Stand, Ala. Her nose and lip were raw as beef, with offensive discharge from the eating sore. Doctors advised cutting, but it failed. Blood Balm healed the sores and Mrs. Guernsey is as well as ever. Botanic Blood Balm also cures eczema, itching humors, scabs and scales, bone pains, ulcers, offensive pimples, blood poison, scrofula, carbuncles, ringworms and bumps on the skin and all blood troubles. A large bottle at druggists. Sample of Botanic Blood Balm free. Address: Atlanta, Ga. Describe trouble and special medical advice sent in sealed letter. It is certainly worth while investigating such a remarkable remedy, as Blood Balm cures the most awful, worst and most deep-seated blood diseases.

PE-RU-NA WOMAN'S BEST FRIEND, IS THE So Says Mrs. Rose, of New York City, And Tens of Thousands of Other Women.

Mrs. Jennie Rose, 362 W. Twenty-Second Street, New York City, writes: The Peruna Medicine Co., Columbus, O.

Gentlemen: "Peruna is a blessing to suffering women. I suffered with female trouble since I began menstruation, and every month I suffered two and three days of untold agony, and had to arrange my work and duties so as to be in bed every month for two days at least."

"My brother was cured of Bright's Disease from the use of Peruna and so I determined to try it for my trouble."

"Imagine my great joy when I found that it relieved me quite a bit the first month and I was entirely without pain during that period after having used Peruna only four months."

"This is about two years ago and all during that time I have suffered no pain. I can now come and go as I like and consider Peruna woman's best friend and wish that every suffering woman might know that she can find relief through the use of this medicine."

Truly yours, MRS. JENNIE ROSE.

TO OUR FRIENDS AND THE PUBLIC.

We desire to thank our many friends and customers for their liberal patronage during the past season, and to say that we are going to try harder this season than ever before to have the best things going, to eat. It is a well known fact that if we eat pure food we will always be healthy, happy, and well. We like things good to eat, and we know our customers are not unlike us. We have tried all through the summer to have something good by keeping a cold storage. This has not been very profitable to us, but we have succeeded in giving our customers something fresh all the time. We want to announce that the Fish and Oyster season will soon be here and we will be ready for it. We will have regular days for a few things:

Fresh fish will arrive Tuesday and Friday mornings.

Crabs Wednesday morning.

Fresh Oysters are received daily except Sunday.

Ferring of all kinds.

Always on hand the best assortment of cheese on the market, viz: Cream, Swiss, Limburger, Pine Apple, etc.

Everybody comes to us for pickles, because we have the Stuffed Mangos, Dill's, Sweet mixed and Sour. We have used our best judgment in buying canned goods of every description.

Also have bought for the fall and winter trade the best dried fruits we could find.

We are sole agents for Lowrey's Candies for this territory.

All other goods, such as fresh fruits, cereal foods, crackers and cakes, we buy in small quantities in order to give the customer the freshest goods obtainable.

Yours, to please, ASWELL & MCKINNEY.

Mrs. Ellen Thompson, Battle Town, Ky., writes:

"When I wrote you for advice I was very bad off. When I received your letter I commenced using Peruna and it did just what you said it would. I have had a cough for about fifteen years and your medicine has done me more good than anything I have ever used. I am so thankful to you for your advice to me."—Mrs. Ellen Thompson.

Mrs. James Elghmey, Grape, Mich., writes:

"I have been troubled with pain before and during my monthlies ever since I was seventeen. I was also troubled with other female weakness. I took your treatment, and am now well, and thank you for your kind advice."—Mrs. James Elghmey.

Mrs. John Meyers, Esch, O., writes: "I have been a sufferer from chronic catarrh for years and have thereby lost the sense of smell entirely. I had four of the best physicians in this vicinity without receiving any benefit whatever."

"Now I am once more a well woman. I find Peruna to be the best medicine in the world as it has done me more good than my physician could have done for me. My friends say I look ten years younger. I tell them that Peruna did it. I can't thank you enough for your free advice."—Mrs. John Meyers.

Mrs. Ida Baker, Portsmouth, O., writes:

"I am glad to say that I am well. I have taken Peruna and feel better than I have for ten years; have gained twelve pounds and am still gaining. When I wrote to you for advice I had given up all hope of being well again, and I feel that it has saved my life."—Mrs. Ida Baker.

Allice Scott, of Franklin, Ky., in a letter to Dr. Hartman, says:

"For seven long years I had been a constant sufferer from catarrh of the pelvic organs which resulted in displacement of the uterus. I wrote you telling you all my complaints from the beginning to the present, made happy and much encouraged every time by your kind and fatherly letters of advice and instruction. I am now a strong woman weighing 148 pounds."—Allice Scott.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

Mr. J. E. Esell, president of the Okolona Banking Company, returned Sunday night from his summer vacation at Waukegan and other northern cities. He reports a most excellent time and comes home looking fully refreshed and almost like a made over new man. His many friends in Okolona are glad to see him at home again.

Ghosts would frighten many people who are not afraid of germs. Yet the germ is a real danger. If this microscopic animal could be magnified to a size in proportion to its deadliness it would show like a giant python, or fire breathing dragon. The one fact to remember is that the germ is powerful to harm the body when the blood is pure. It is far easier to keep the germ out than to drive it out after it obtains a hold in the system. Dr. Pierce's Golden Medical Discovery is the most powerful and perfect of blood purifying medicines. It increases the quantity as well as the quality of the blood, and enables the body to resist disease, or throw it off if it does obtain a footing in some weak organ. Wherever the digestion is impaired, the nutrition of the body is diminished, the blood is made from the food which is eaten, and half digested food cannot supply the body with blood in quantity and quality adequate to its need. For this condition there is no remedy equal to "Golden Medical Discovery." It cures ninety-eight out of every hundred persons who give it a fair trial. When there is constipation Dr. Pierce's Pleasant Pellets will promptly relieve and permanently cure.

Mr. John Campbell, Richard Trotter and Henry Foster, of West Point, were visitors in this city Sunday, drawn hither by the charms of some of our feminine citizens.
